## The Swami

Welcome to our abbreviated second edition of Trail Trash for 2016. District tournaments around Northwest Ohio have wrapped up with few upsets. Eight number one seeds won district titles along with four number two seeds. Ottawa-Glandorf in D2 was the only three seed to win a district title taking down top seeded Defiance and number two seed Upper Sandusky at Ohio Northern. Eight of the thirteen district championship games were between the top two seeds. Every top seed advanced to a district final except a Swanton team that was upset by fifth-seeded Genoa in the district semifinal at Toledo Central Catholic. Nine number two seeds made it to their respective district final. Coaches from around NW Ohio got it right when they did their seeding. The Swami did not.

*Since 1994, Trail Trash has been published twice annually in conjunction with the state boys basketball tournament. In addition to tournament brackets, Trail Trash has included the expert predictions of the Swami. For those of you familiar with the Swami, we say no more. For the small number of you not familiar with the Swami, he is the self-proclaimed guru on Northwest Ohio high school hoops.*

*Since the fall of 2004 Davey1.com has featured the most complete collection of Ohio Boys High School Basketball Schedules and results that can be found in one place anywhere on the internet. We have gathered all of the schedules from the schools in the OHSAA Northwest District. We wrote our own special software using a Microsoft Access database to compile and display our schedules. Nowhere else will you find the amount of information that we present on Davey1.com.*

The tournament started with two undefeated teams in Lima Senior and Upper Sandusky. Lima survived a rugged University of Toledo district tournament with a close win over Toledo Whitmer and a one-point victory over Toledo St. John's. Did the Spartans peak too early or is this just the product of having to play two quality conference opponents for a third time? Survive and advance. Upper was knocked out by O-G in a district semi-final that was closer than the final score indicated. The Rams played arguably the weakest schedule of any D2 team in NW Ohio but represented themselves well in their tournament run that included a sectional final win over Wapakoneta.

The other "big news" heading into the tournament was the OHSAA imposed ban of legendary Toledo St. John's Jesuit coach Ed Heintschel for violating OHSAA by-laws related to recruitment. SJJ was able to get to the media before the OHSAA (the folks in Columbus must have taken that Sunday off), and it was very interesting to compare the St. John's spin to that of the OHSAA. Coach Heintschel was able to conduct practices and attend games, but was banned from traveling with the team or coaching the Titans during their tournament games. You wonder if a couple of well-timed foot stomps might have made a difference for SJJ against Lima Senior.

The D4 district final at Napoleon between a pair of state-ranked teams in Ayersville and Fayette ended in somewhat of a controversy. With 0.9 seconds remaining in the game and trailing by one, Ayersville inbounded and threw the ball the length of the floor. The ball was tipped to an Ayersville player who proceeded to hit a shot before the buzzer. The

basket was immediately waived off by at least one official. There was video that shows that the backboard lights came on after the shot was released. However, it appears that the clock did not start when the ball was tipped and the officials indeed made the correct call. What a devastating end to a great season for Ayersville. Coach Jaymes Zachrich and the Ayersville team showed extreme class in their response to the media following the game.

Looking forward to the regional tournament, Northwest Ohio will be represented by eleven conferences and one independent. The Blanchard Valley Conference is the only conference having more than one regional tournament team with league co-champion Liberty-Benton in D3 and McComb (7<sup>th</sup> place in the BVC) in D4.

There will be plenty of regional action in Northwest Ohio. The University of Toledo is scheduled to host the D1 regional semifinal game between Lima Senior and Lorain on March 9. Bowling Green will again host regional tournaments in D2, D3, and D4 at the Stroh Center. With the Ottawa-Glandorf girls' team scheduled to play a state semi-final game Thursday evening, do not be surprised if the OHSAA flips the D2 and D3 schedules at BGSU. Stay tuned.

As far as the Swami is concerned, his district tournament picks were a disaster. Enough said. Time to go to the regional picks. The Swami would like to classify these as educated guesses, but that would be stretching the truth.

The Wildcats were the Class AA state champions that season (there were three classes from 1971 through 1987 for the young whippersnappers in our audience). Based on these picks, there will be a lot of empty seats in Columbus. Hopefully, a few more teams make it to Columbus that will actually bring some fans.

This completes the twenty-third season for Trail Trash. All facts, fiction, and opinions are those of the Swami. After this year's district picks, nobody else would want to take responsibility. You can contact us at [Webmaster@davey1.com](mailto:Webmaster@davey1.com). As usual, the Davey1 boys will be at the Stroh Center and in Columbus. The tournament is a week early this season. Maybe we can get some good weather for a change.
