Time for the second edition of Trail Trash for 2018 as we move to regional tournaments around Ohio. Welcome.

Sectional tournaments around Northwest Ohio were completed with a handful of upsets. Two #1 seeds went down in sectional final games with state ranked Pettisville losing to #7 seed Edgerton in D4 and Upper Sandusky falling to #8 seed Huron in D3. Meanwhile in D2, #7 seed Defiance eliminated #2 seed Elida. As far as sectional championships are concerned, #5 seeds fared just as well as their #3 and #4 seeded brethren with teams gaining a #6 seed not too far behind. Six teams with records under .500 won sectional championships while six teams that either won an outright or shared a conference championship failed to advance to the district.

Things heated up at the district level, but there were no big upsets. As expected in D1, Toledo St. John's didn't break a sweat in breezing

Since 1994, Trail Trash has been published twice annually in conjunction with the state boys basketball tournament. In addition to tournament brackets, Trail Trash has included the expert predictions of the Swami. For those of you familiar with the Swami, we say no more. For the small number of you not familiar with the Swami, he is the self-proclaimed guru on Northwest Ohio high school hoops.

to a district title.

Toledo Whitmer beat

three higher seeded teams (Start, St. Francis, Sylvania Southview) in winning the other D1 district at Toledo. In D2, Wauseon dominated the Ohio Northern district while #3 seed Lexington won the Mansfield Madison district. The win for Lex came as no surprise regardless of their seeding.

Ottawa-Glandorf dominated the D3 Lima Senior district with two of their three wins resulting in a running clock while #1 seeded Archbold won the very competitive Toledo Central Catholic district. #3 seed Carey, the district winner at Norwalk, overcame a seventeen-point deficit to Oak Harbor in their semifinal win. In the other semifinal at Norwalk, #6 seed Margaretta edged #8 seed Huron in six overtimes in one of the longest games in OHSAA tournament history. The marathon took more than two and a half hours to play.

Top seeds Mansfield St. Peter's, Pandora-Gilboa, Convoy Crestview, and Marion Local won district championships in D4. The Elida district lived up to the hype with #6 seed Hicksville eliminating #3 seed Delphos St. John's and #2 seed Wayne Trace before losing to Crestview on a buzzer beater in the district final. #2 seeds won district tournaments at Fostoria and Napoleon with Mohawk and Maumee Valley Country Day taking home championships.

Eight of the thirteen top seeded teams around Northwest Ohio won district titles while #2 and #3 seeded teams each won two championships. Toledo Whitmer, the #6 seed overall in D1 and the #5 seed in their Toledo district, is the lowest seed to advance to the regional.

Regional tournaments in D2, D3, and D4 will return to the Stroh Center at Bowling Green State University.

The D4 semifinals will be played on Tuesday night followed by D3 semifinals on Wednesday and D2 semifinals on

Thursday. The D4 regional final will be played Friday night with the D2 final Saturday afternoon and the D3 final Saturday evening. The D1 regional semifinal between Toledo St. John's and Toledo Whitmer will be played as a single game on Thursday evening at Savage Arena in Toledo. The winner will meet the winner of the regional semifinal game at the University of Akron in the regional final at the University of Toledo on Saturday afternoon.

The Swami was not upset that Dayton Dunbar lost their district final game against Cincinnati Woodward. Dunbar was removed from the tournament by the OHSAA for allegedly using an ineligible player in a sectional win over Dayton Thurgood Marshall. Dunbar and Dayton Public Schools followed the advice of Doug Llewelyn and the People's Court by filing suit against the OHSAA. The case was heard in Montgomery County Common Pleas Court with Judge Michael Krumholtz ruling in favor of the plaintiff and ordering Dunbar back into the tournament. Who would have ever guessed he would rule in Dunbar's favor? Sarcasm.

Every year around tournament time, it seems that you hear how difficult it is for one team to beat another three times in a season. You can call it coach speak, but the Swami doesn't buy into that theory. We had fifteen of those matchups at the sectional and district levels this season around NW Ohio, and thirteen ended with a sweep. Those numbers are better than the Swami's. Speaking of numbers, the Swami had an overall record of 116-30 with ten district winners missing out on a D1 at Toledo (St. Francis was the Swami's pick), the D3 at Norwalk (Oak Harbor) and the Napoleon D4 (Pettisville).
