We are back with the second edition of Trail Trash for 2021. Over the past two weeks, 146 tournament games were scheduled to be played around Northwest Ohio. Every game went off as scheduled, and every team had the opportunity to play in the tournament with no delays or changes. To get all those games in was absolutely fantastic and a great accomplishment during this strange basketball season.

With the higher seed hosting at the sectional level for the first time, there were few upsets. In the eighteen team D1 tournament, #5 seed Sylvania Southview and #8 seed Toledo Start were the highest seeds not to advance with #10 Toledo St. Francis the lowest seed to move on to the district. In the other divisions, #3 seeds Lima Central Catholic and Evergreen in D3 and Pettisville in D4 were the highest seeds that failed to advance. #7 seed Hicksville in D4 was the lowest seed to win a sectional title. In sectional final games, the home team (the higher seed) won forty-six of the fifty-two games. Even with limited attendance, having home court played a significant role. The majority of the sectional finals were not close with the average winning margin exceeding twenty points. The Swami is keeping his fingers crossed for the return to neutral sites in 2022.

The D1 district tournaments went according to form with top seeds Lima Senior and Toledo St. John's Jesuit winning district titles. #1 seed Lima Senior eliminated #4 seed Sylvania Northview and #2 seed St. John's Jesuit

eliminated #3 seed Findlay in district championship games.

Issue 2021-2

#1 seeds Lima Shawnee and Shelby won district titles in D2. Shawnee defeated #3 seed St. Marys while Shelby eliminated #3 seed Norwalk in the championship games. The big surprise came at Lake where #1 seed Rossford was eliminated by #4 seed Toledo Central Catholic in a district semifinal. Central Catholic went into the tournament with just four wins. The Fighting Irish eliminated #2 seed Tiffin Columbian in the district final at Lake.

In D3, #1 seed Ottawa-Glandorf won the district at Lima Senior with a win over #2 seed Wayne Trace after squeaking by #4 seed Coldwater in overtime in a semifinal. #2 seed Archbold edged #1 seed Cardinal Stritch in the district final at Toledo Central Catholic. Undefeated Colonel Crawford, the top seed at Shelby, was soundly beaten in a district semifinal by #3 seed Willard. #2 seed Western

Reserve won the district championship edging the Crimson Flashes.

In the D4 district at Willard, #5 seed Lucas won the title defeating #1 seed South Central in a semifinal and #3 seed Norwalk St. Paul in the championship game. At Liberty-Benton, #3 seed Carey eliminated #1 seed Old Fort in a semifinal followed by a win over #2 seed Tiffin Calvert in the title game. At Elida, #1 seed Columbus Grove defeated #2 seed Ottoville in a battle of state-ranked teams in the final. #4 seed New Bremen advanced to the district at Wapakoneta with an overtime sectional final win against #5 seed Marion Local. New Bremen then eliminated #2 seed Minster in a district semifinal and #3 seed St. Henry in the championship game. St Henry had eliminated #1 seed Lima Perry in the other district semifinal at Wapak. At Defiance, #1 seed Antwerp edged #2 seed Toledo Christian 23-20 on a three-pointer by Jagger Landers with less than a second remaining for the championship. TC had defeated #7 seed Hicksville 47-46 in overtime on a buzzer-beating three by Trevor Wensink. Logan Trumbull, the career scoring leader at Hicksville, was outstanding with 30 points for the Aces. As great as the buzzer-beater was, Trevor's reaction and display of sportsmanship following the game was even better.

Seven of the thirteen top seeded teams from around Northwest Ohio won district championships. Lucas, the #5 seed in the D4 Willard district, was the lowest seed to win a district title.

Regional tournaments in D2 and D3 will be held at Elida while the D4 regional will be held at Van Wert. Lucas, the D4 district champion at Willard, will play in the regional at Akron Firestone. D4 regional semifinals will be played Tuesday night with the championship game on Friday night. D3 regional semifinals will be played Wednesday evening with the title game on Saturday night while the D2 semifinals will be Thursday night with the championship game scheduled for Saturday afternoon. In D1, the regional semifinal between Lima Senior and Toledo St. John's Jesuit has been moved from Lima Senior to Liberty-Benton for Wednesday night. The championship game in D1 will be played Saturday afternoon at Norwalk.

The state tournament will be held in Dayton at the University of Dayton Arena. Semifinals will be played on Friday, March 19 and Saturday, March 20 with the championship games slated for Sunday, March 21. The state tournament was held at the UD Arena in 1986 and 1987.

The davey1.com staff (both of us) had the opportunity to attend the district tournaments at Lake (D1 & D2) and Defiance (D4) during the past week. These marked the first games either of us have attended in-person this season. Congratulations to the tournament managers (Dave Shaffer at Lake and Jerry Buti at Defiance) and tournament staff for a job well done at two outstanding venues. Thank you for your hospitality and for allowing us to attend.

One word can describe the Swami's results from the first edition. Bad. With an overall record of 106-40 and just five district winners (pick the top seeds and you'll do better than that), the numbers declined for the third straight year. Time to go back to the drawing board.

That wraps up our twenty-eighth year of Trail Trash. All facts, fiction, and opinions are those of the Swami. Looking forward to attending some regional games this week. I have not missed a state tournament game since a Class AAA semifinal in 1981 between Wadsworth and Cleveland John Adams, but that streak will come to an end next week. Thanks for reading. Good luck to all teams remaining in the tournament.
